

Super Saturday Workshops!

Nature Photo Safari! October 15

Go on a photo safari along the water front searching for birds, plants, manatees, and more. Prepare your own scrapbook! Should bring digital camera.

What's For Dinner?- November 5

Discover what's on the menu as we dissect owl pellets! Let's see if we can put the bones together and solve this mystery.

Paper Art Fun! December 3

Learn all about paper making as you create works of art ! You'll soon discover new ways to use those old greeting cards, wrapping paper, newspaper and more.

Tracks & Scat!- January 21

This program is a great introduction to how animals move, identifying common animal tracks, signs and their scat. Even make your own "scat" !

Flower Power! February 4

From butterfly gardens to vegetable gardens there is a perfect plant for everyone! Each child will plant a seed to take home.

Art In Motion! March 17

Moveable Swimming Fish, Flying Birds, and more! Come bring art to life with this unique workshop on art in motion.

Marine Mammals- April 14

Let's discuss manatees and our other marine mammals. Create your own flubber blubber to take home!
